

Parent Policies & Expectations

All applicant families will be asked to sign the Parent Policies & Expectations at the Family Interview.

Believing that education is a partnership between the home and Desoto School, we affirm that:

- We have read the Parent/Student Handbook and agree to hold our students accountable to these standards. We give the school authority to discipline our child within the boundaries of discipline outlined in the Parent/Student Handbook. As parents, we agree to support the school's efforts to nurture personal responsibility and accountability in our students.
- We commit to honoring and building up the Desoto Family through our words, actions, and example.
- We commit to take an active role in the ongoing education of our child. We will make an effort to attend school functions and activities.
- We agree to demonstrate and model respect for authority and others, including good sportsmanship at Desoto athletic events and activities.
- We will help make our school a better place by volunteering or paying a fee.
- We commit to support our school.
- We commit to follow principles of communication. We will address dissatisfaction with the school by resolving the matter with the person or persons directly involved rather than holding a negative attitude in our hearts or spreading criticism, especially on social media.
- We understand that information disclosed in the admissions process will only be accessed by official school personnel to determine acceptance and to support the student's academic, social, emotional, and physical needs upon acceptance.
- We agree to meet all tuition and other financial obligations. If we face potentially challenging financial situations, we will communicate with the Desoto Office in a timely and open manner.

- We agree to set up a bank draft for tuition payment. If our draft bounces, we will have to pay a \$25 late fee.
- We understand that we will get an invoice via Jupiter. It is our responsibility to upload the invoice into your Class Wallet.
- If at any time we are no longer in agreement with Desoto School's philosophy, standards, and practices, we agree to withdraw our student by submitting a letter to the school requesting withdrawal and pending approval by the board.
- We understand that Desoto School reserves the right to withdraw our student's enrollment at any time if, by Desoto's judgment, our student's actions, attitudes, or beliefs are no longer aligned with Desoto School's standards or beliefs. We understand and agree with the philosophy, standards, and practices of Desoto School as outlined in this document.
